

POLICY 1410 Telecommunications

Issued October 4, 1993

Executive Branch Departments and Sub-Units shall obtain approval to acquire telecommunication studies, consultation contracts, resources and systems; design, implement and maintain telecommunications systems, installations and services; pay for the cost of these services; and report expenditures for State telecommunication systems, services and resources, all in conformance with Department of Information Technology (DIT) procedures and directives.

The Management and Budget Act, Public Act 431 of 1984, as amended, § 271.
